

Where Good

Nights Reign

Gather a crowd!

Plan some merriment in our sun drenched courtyard for up to 70 or take the party inside for up to 35 guests. Both areas offer semi standing capacity.

With a range of quality drops including wines, cocktails, spirits and revolving tap beers you can choose to set up a bar tab or let your guests purchase their own drinks.

Pair the good times with pre-ordered sliders from Flipside Burgers, raid our pantry for tasty snacks or go a bit fancy with a luscious grazing table.

We like to keep it casual - it's the neighbourly thing to do - so for group bookings we have no booking fees or minimum spend attached. Whilst we'll reserve you an area we unfortunately don't do exclusive whole venue hire.
